

Unlimited access to mental health assessments now available within Titanium Schedule

Every institution of higher education is dealing with a student mental health crisis. To make sure any college student struggling with mental health issues can be identified, Pearson has built the Digital Assessment Library (DAL) for University Student Mental Health, Titanium Edition.

Purchased through Pearson and delivered online through Titanium Schedule, this library of digital assessments has been designed as an affordable, unlimited-use subscription that ensures college counselors and student mental health professionals have access to the highest quality mental health assessments at a flat, worry-free annual cost.

DIGITAL ASSESSMENT LIBRARY

The Digital Assessment Library features:

- Unlimited access and administrations
- Five standardized mental health assessments (details on back)
- One simple, annual price for use with the entire student population
- Digital administration, scoring, and reporting through Titanium Schedule software
